List of degrees in Computer Science and Software Engineering:

- Several MOOC courses
- 2002-2007, Software Engineering, Shahid Beheshti University (SBU), B.Sc.
- Network Security Workshop, [IPM center](#)

List of Taught Courses at school

- Python
- C, C++, Pascal for Programming Contests
- VB
- Small Basic
- Scratch
- Algorithms
- Cryptography
- Dreamweaver
- 3Ds Max
- GameMaker
- Animation
- Music Notation
- ICDL
- Content Generation (for teachers)

List of papers in CS:

- Making Humanoid Robots More Acceptable Based on the Study of Robot Characters in Animation, International Journal of Robotics and Automation (IJRA) , March 2015
- A Newer World for Blind, 4th international Technology Conference 2008, Boston
- Steganography's Applications , Article Base
- Moiré in Computer, awarded in SBU First symposium of student research, May 2006
- Moiré in Computer, awarded in SBU First symposium of student research, May 2006

List of projects in Computer:

*Multimedia Software, Lets be friend with Iranian Musical Instruments, Tehran: Sooreh Mehr Publications, May 2012

*Simulation of Kazaa - teamwork -OS: Linux (Redhat ,Fedora ,Suse) - Language : C

*Simulation of Selective Repeat and Go Back N Algorithms - teamwork- Language: java (IntelliJ idea 5)

*Simulation of Link State Routing - teamwork -Language : java (IntelliJ idea 5)

* E-learning System- - teamwork- Language and IDE : , SQL server Rational Rose,VB.net , ASP.net

* Credit Cards for Shopping, teamwork - Language and IDE: SmartDraw, Visio, Oracle 9.2, Visual c#.net

* DB for Ministry of Urban and Housing - Language and IDE: SQL server 2000 , Visual c#.NET

* Detecting Spam E-mail - teamwork - Language and IDE : Prolog - Strawberry Prolog

WebSite Design and Developpe:

* Aloobaloo, Animation and Media Studio, 2016

* Guilagraph, Online Woocommerce Shop,2016

* Bonnepomme Magazine, Wordpress, 2016

* Cando Studio, 2015
